

1. Introduce yourself

My name is _____, I am ____ years old. I was born in Hanoi, the capital city of Vietnam. I am currently a freshman at National Economics University. My major is Business management. In my free time I love watching movies and listening to music. I am kind and polite to everyone but my friends see me as a crazy and goofy person.

2. Tell about a person. (idol/friend/member of family)

Giang is a new friend that I get along with in college. She is my roommate. She has the brightest smile and very talkative, she makes friend with others easily by her energetic nature. Giang has a straight shoulder length hair. Her eyes are also black and light up when she smiles. It is so fun hanging around with her, we have a lot in common.

3. Daily routine

Every morning I would normally wake up at 5am. I leave to school at 6am and go home at 9pm in the evening. I usually have lunch at 12pm with my friends. In the afternoon I attend to club meeting or go the library to study. Sometimes I hangout with friends playing card games a long with eating dinner. On the weekend I often stay with my family and cook a special meal for them.

4. Family

There are 4 people in my family. My father is 50 years old he is a doctor. My mother is 46 years old and a teacher. I have a 18 years old brother and is a student. We spend a lot of free time together, in the weekend we would cook a special meal while watching a movie instead of news. My mother teaches me to be a decent woman and I get to discuss work with my father. My family means the world to me.

5. Food/ Drinks

Pizza is my most favorite food above all. If I got the chance, I would eat pizza every meal. I can make pizza with new toppings, i always try to be creative with pizza. Pizza 4Ps for me is the best place to eat delicious pizzas. They are made fresh with awesome cheese on top. I usually eat pizzas with juices or soft drinks

I love drinking milk especially soya milk. I can drink soya milk every single day and still not enough. Me and my friends love soya milk and we would try every soya milk on the street and rate them. In hot weather I drink soya with ice and in winter I prefer it warm. Drinking soya makes me feel more energetic and full.

6. Freetime and hobbies

In many hobbies, I love cooking the most. I was taught to cook by my mom. For me my mom is the greatest chef ever. My family loves my mom's dishes very much, this is the reason why we rarely eat outside. Everytime I cook, I feel so calm and relaxing. I can even be creative with the ingredients. I love cooking very much.

7. My hometown

I was born in Hung Yen city. It is 60km from Ha Noi. It takes me 2 Hours to get there. I usually visit my hometown by bus. It is a small city but very peaceful, at night the city would turn completely black very early unlike big cities. People here are hard working and kind. My hometown is famous for Nhãn Lồng. I always looking forward to come back home.

8. Traveling/trip

Ha Long bay is on top of my traveling list. It is 100km away from Hanoi. It takes you 2 hours to get there by car. People often go swimming or canoeing by the ocean there. Me myself love to take a walk around the city and try different food on the street. The best thing to do is to go on a ferry for a few days and enjoying the scene there. I have great memories when traveled to Ha Long.

Every holiday I would go on a trip with my friends. We went to Lao Cai last year. It was 2 degree celsius cold. I love the weather and the food there. I got to go on top of Phanxipan mountain and took many pictures there with my friends. It was cold but the sun still shone. It was a fantastic trip.

9. Shopping

Shopping at the mall is an interesting way to relaxing at the weekend. I love shopping with my mom. We often looking for clothes and then food. I go shopping for clothes and food once a month. I love buying grocery for the next week. Sometimes I go shopping with my friends and it is so fun

10. Festival

Tet holiday is an important tradition in Vietnam. It was held on the first of January by the Lunar calendar. People celebrate new year in hope of a next happy year. Children and elders are gifted with lucky money. There are fireworks on the first of January. People would stay with their family and have big parties. Chung cake is a signature dish of Tet holiday. People spend Tet week to travel too. People bless each other with positive things.

11. Film/music/book/sport

I love listening to music a lot. Music helps me to relax and stay calm. I often listen to indie songs and sometimes RnB. Me and my friends love to listen to music on a speaker. We dance to the music and have fun. Most of the time i like to listen to music by myself. I listen to music whenever I have freetime.

12. Season/Weather

Winter is my favourite season. I love everything about it. I like the cold weather, which always makes the sky seem so blue. I also like being able to see my breath in the cold air. In summer, it's difficult to keep cool outside, but in winter, it's easy to keep warm. I really like hiking in winter. The cold really makes you feel alive. It's also great getting home to a nice warm room. Winter also has the best holidays. I love getting together with my family and then celebrating the New Year. Winter is a really good time to go on vacation because the sights are usually empty.
